**Centralia Outlets** is located at the midpoint between Seattle, WA, and Portland, OR, in Lewis County, the "Gateway" to two of the state's major attractions, Mount Rainier and Mount St. Helen's. Mount Rainier, the second highest peak in the lower 48 states and Mount St. Helen's National Volcanic Monument are easily accessed from Highway 12 in the east end of Lewis County. Within five miles of the center are the "Twin Cities" of Centralia and Chehalis. These charming cities have historic downtown areas, museums, vintage homes, and steam train rides. Centralia and Chehalis is home to more that 350 antique dealers in the three antique malls and nearly 20 shops.
